“O” BIOBABY MIXER PELLETT

Description: A high quality protein supplement designed to mix with corn and oats on the farm to make a complete calf starter mix.

Features:

Contains Biobaby Premix vitamins and minerals.

Made from top quality plant protein sources.

Contains Thorvin kelp as a source of over 60 trace minerals and vitamins. Excellent for reproduction, immune system function and hoof health.

Contains yeast culture and live, beneficial bacteria.

Feeding rate: Mix equal portions of this supplement, corn and oats (1/3 of each) and feed up to 5 pounds of the resulting mix.

Recommended uses: Baby calf starter rations.

Precautions: Keep grain mix fresh at all times.
